

Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

Invesco Euro Bond Fund (the "Fund") A sub-fund of Invesco Funds, SICAV (the "Umbrella Fund") Class Z annual distribution - EUR (ISIN: LU0955862874) (the "Share Class")

The Fund is managed by Invesco Management S.A., part of the Invesco Group.

Objectives and Investment Policy

- The objective of the Fund is to achieve long-term capital growth, together with income.
- The Fund will invest primarily in debt instruments denominated in Euro.
- The Fund will invest in debt instruments (including contingent convertibles) issued worldwide by governments or companies.
- The Fund may invest in debt instruments which are in financial distress (distressed securities).
- The Fund may also gain exposure to securitised debt.
- The Fund will make significant use of derivatives (complex instruments) in order to (i) reduce the risk and/or generate additional capital or income and/or (ii) meet the Fund's investment objectives by generating varying amounts of leverage (i.e. where the Fund gains market exposure in excess of the net asset value of the Fund).
- The Fund is actively managed within its objectives and is not constrained by a benchmark.
- You can buy and sell shares in the Fund on any Business Day in Luxembourg (as defined in the Prospectus).
- Any income from your investment will be paid annually.

Risk and Reward Profile

- The Share Class is in risk category 3 due to the rises and falls of its price or simulated data in the past.
- As the Share Class' risk category has been calculated using historical data, it may not be a reliable indication of the Share Class' future risk profile.
- The risk category may change in the future and is not guaranteed.
- The lowest category does not mean a risk free investment.

Other Risks

- The value of investments, and income from them, can go down as well as up and you may not get back the full amount you invested.
- Changes in interest rates will result in fluctuations in the value of the Fund.
- The Fund may invest in distressed securities which carry a significant risk of capital loss.
- The Fund uses derivatives (complex instruments) for investment purposes, which may result in the Fund being significantly leveraged and may result in large fluctuations in the value of the Fund.
- Debt instruments are exposed to credit risk which is the ability of the borrower to repay the interest and capital on the redemption date.
- Investments in debt instruments which are of lower credit quality may result in large fluctuations in the value of the Fund.
- The Fund may invest in contingent convertible bonds which may result in significant risk of capital loss based on certain trigger events.
- The Fund may engage in active and frequent trading of its securities and instruments. High portfolio turnover may result in increased transaction costs to the Fund.
- Return on your investment may be adversely affected by variations in exchange rates.
- It may be difficult for the Fund to buy or sell certain instruments in stressed market conditions. Consequently the price obtained when selling such instruments may be lower than under normal market conditions.
- The Fund may hold a large amount of Asset Backed Securities (ABS) (complex instruments) as well as other lower quality debt securities which may impact the liquidity of the Fund under certain circumstances.
- A more detailed description of risk factors that apply to this Fund is set out in Section 8 of the Prospectus.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	5.00%
Exit charge	None
Any charges shown above are the maximum that might be taken out of your money before it is invested.	
Charges taken from the Share Class over a year	
Ongoing charge	0.56%
Charges taken from the Share Class under certain specific conditions	
Performance fee	None

- Any entry charge shown is a maximum figure. Where charges are shown, in some cases you might pay less; you can find this out from your financial adviser or distributor.
- As a result of the introduction of a material change in the fee structure, the ongoing charges figure is estimated based on the expected total of charges. This figure may vary from year to year. It excludes portfolio transaction costs except in the case of an entry or exit charge paid by the Fund when buying or selling shares/units in another fund.
- If you switch funds, you will pay a maximum switching charge of 1% on your new fund.
- For more information about charges please see Section 4, Section 9 and Appendix A of the Fund's Prospectus.
