IMPORTANT: This circular is important and requires your immediate attention. If you are in any doubt as to the action you should take you should seek advice from your professional adviser/consultant.

Unless otherwise defined, all capitalised terms used herein bear the same meaning as defined in the prospectus of Invesco Funds (the "SICAV") and Appendix A (together the "Prospectus").

About the information in this circular:

The directors of the SICAV (the "Directors") and the management company of the SICAV are the persons responsible for the accuracy of the information contained in this letter. To the best of the knowledge and belief of the Directors and the management company of the SICAV (having taken all reasonable care to ensure that such is the case), the information contained in this letter is, at the date hereof, in accordance with the facts and does not omit anything likely to affect the import of such information. The Directors accept responsibility accordingly.

Dear Shareholder,

We are writing to you as a Shareholder in one or more of the following sub-funds of the SICAV:

- Invesco Euro High Yield Bond Fund
- Invesco Global Equity Fund
- Invesco Global Unconstrained Bond Fund
- Invesco Responsible Emerging Markets Innovators Equity Fund
- Invesco Sustainable Emerging Markets Structured Equity Fund

(together “the Funds”)

The Directors have decided to liquidate the Funds on 21 November 2022 (the “Effective Date”) for the reasons further described below.

A. Background to and rationale for the proposed liquidations

As the assets under management of the Funds have reduced or have not grown over the last number of years due to limited demand and, in most instances, performance challenges, the Directors took the view that the Funds have dropped below the minimum assets required to operate in an efficient manner and do not expect to raise subscriptions in the near future.

Therefore, and in accordance with article 24 of the articles of incorporation of the SICAV (the “Articles”) and the applicable provisions of the Prospectus, the Directors have resolved that it is in the best interests of Shareholders to place the Funds into liquidation and to proceed with the compulsory redemption of all Shares in the Funds on the Effective Date.

As from 12:00 noon (Irish time) on 14 October 2022, the Funds were closed to further subscriptions in light of the fact that the Funds were intended to be liquidated. However, Shareholders have been and will be able to continue to redeem or switch out from the Funds in accordance with the provisions disclosed in the Prospectus, up to 16 November 2022 as further described in Section B below.

To ensure a fair treatment of all Shareholders, the Funds will be priced at bid on a permanent basis as and from 17 October 2022 up to the Effective Date. This will be achieved by applying the swing pricing mechanism as described under Section 6.2 (Calculation of assets and liabilities) of the Prospectus. In this connection, a non-threshold-based approach may be utilised as bid pricing will be applied to the Funds regardless of whether the net outflows of the Funds exceed the pre-determined threshold agreed by the Directors as described in the Prospectus. Please note that the NAV of the Funds will be lower using bid pricing as compared to when bid pricing is not applied.

Moving the pricing basis to bid ensures that any Shareholder redeeming in advance of the liquidation date will receive a price which is representative of the costs that will be incurred in their sell down and the remaining shareholders are not impacted.

In addition, to ensure that Funds are fully disinvested in advance of the Effective Date, the Investment Manager will begin selling investments from 7 November 2022 to ensure that the Funds are fully invested in cash as at the Effective Date. As a result, it is possible that the Funds will not be compliant with their long-term investment policy or the UCITS diversification limits in advance of the Effective Date.

As a result, no management fee will be charged to the Funds from 7 November 2022.

As of 12 October 2022, the assets under management of the Funds were as follows:

Funds	Assets under management
Invesco Euro High Yield Bond Fund	€12.4m
Invesco Global Equity Fund	\$2.3m
Invesco Global Unconstrained Bond Fund	£6.6m
Invesco Responsible Emerging Markets Innovators Equity Fund	\$6.1m
Invesco Sustainable Emerging Markets Structured Equity Fund	\$7.2m

B. Right to redeem Shares or switch Shares prior to the liquidations

The implementation of the liquidation of the Funds does not require the approval of the general meeting of Shareholders of the Funds.

If the proposed liquidation(s) do(es) not suit your requirements, you have the opportunity at any time up to and including 12:00 noon (Irish time) on 16 November 2022:

- to redeem your Shares, which will be carried out in accordance with the terms of the Prospectus without any redemption charges, or
- to avail of a free switch out of the relevant Share class into another Fund of Invesco Funds (subject to the minimum investment amounts and eligibility requirements set out in the Prospectus and authorisation of the particular fund for sale in your jurisdiction). For more information, please do not hesitate to contact the Investor Services Team, Dublin on (+353) 1 439 8100 (option 2), your local agent or your local Invesco office.

Please note that the redemption will amount to a disposal of your interests in the relevant Fund(s) and may have tax consequences.

Are you in any doubt as to your individual tax position? In this case, you should consult your professional advisers.

No action is required to be taken on the Effective Date by Shareholders who agree to the liquidation. Please refer to Section C below for details. The liquidation of the Funds will be binding on all the Shareholders who have not exercised their right to redeem/switch as described above.

C. Liquidation process and payment of proceeds

Redemptions of the Shares of the Funds will be paid at NAV per Share (taking into account actual realisation prices of investments and transactions costs of liquidating the portfolios), calculated to six (6) decimal places at the Valuation Point on the Effective Date. As the Funds will be fully in cash as at the Effective Date the pricing basis is not relevant as the bid/mid and offer prices will all be the same.

Please note that calculation to six (6) decimal places is different from the current pricing method of the Funds as disclosed in the Prospectus and the Website of the Management Company. This is being done to determine that, on the Effective date, the result of the calculation constitutes the closest possible approximation of the true market value of the assets of the Funds, so that the amount returned to Shareholders is representative, insofar as is possible, of the value Shareholders are entitled to.

Redemption proceeds will normally be paid to Shareholders within ten (10) Business Days following the Effective Date provided that all necessary payment instructions have been received in writing and that all necessary identification documentation have been provided.

Certain Funds contain assets which, due to market liquidity, corporate actions or other factors outside of the control of the Investment Manager, may not be realised/received in base currency cash by the Effective Date. These include a number of Russian assets in the Invesco Sustainable Emerging Markets Structured Equity Fund and Invesco Responsible Emerging Markets Innovators Equity Fund, as well as a number of other positions (notably a trade receivable in Nigerian Naira on Invesco Responsible Emerging Markets Innovators Fund where repatriation is pending). The value of these assets will be excluded from the NAV on the Effective Date to the extent that they are not already valued at zero and paid as soon as practicable to Shareholders pro-rata, based on their weight on the Effective Date.

Proceeds which may not be distributed to their beneficiaries upon the implementation of the liquidation will be deposited in escrow with the Caisse de Consignation as soon as possible upon liquidation on behalf of the persons entitled thereto. Amounts not claimed from escrow within thirty (30) years would be liable to be forfeited in accordance with the provisions of Luxembourg law.

D. Costs and tax implication

The transactions costs of liquidating the portfolios will be borne by the Funds. Any additional cost associated with the liquidation (such as legal, regulatory and administrative costs) will be borne by the Management Company.

The Management Company is not responsible for individual client tax considerations. If you are in any doubt as to the tax implications of the proposed liquidation, please consult your local financial or tax advisor.
